Re: Delivery of Audited Annual Financial Statements for the Good Opportunities Fund

This is to inform you that the Good Opportunities Fund (the “Fund”) is relying on the investment fund filing exemption stated in Ontario Instrument 81-503 - *Extension of Certain Filing, Delivery and Prospectus Renewal Requirements of Investment Funds*.

The Fund will be relying on this Order and the additional 45-day filing exemption from our deadline of March 31, 2020, to deliver the Fund’s annual audited financial statements to all unitholders by mail as per Section 2.2 of NI 81-106.

Sincerely,

GFI Investment Counsel Ltd., manager and trustee of the Good Opportunities Fund
